

## Sunscreen Authorization Form

According to the Colorado Office of Early Childhood Education (7.702.52 D-2 Sun Protection) we are required to apply sunscreen, or have the parent/guardian apply sunscreen, or use another form of parent/guardian approved sun protection for children prior to children going outside. Sunscreen must be reapplied as directed by the product label. We encourage you to pack your child your preferred brand of sunscreen that we can reapply throughout the day. Please be sure to label your child's bottle of sunscreen with their first and last name. If you do not provide sunscreen, we will apply Rocky Mountain Sunscreen SPF 50 to campers throughout the day. Please sign below if you authorize Serendipity Staff to apply your provided brand of sunscreen or Rocky Mountain Sunscreen SPF 50.
